COMPANY PROFILE

We are Trinity Global Technologies, Perfect partner to rely on

About Us

“

TRINITY GLOBAL TECHNOLOGIES is a revolutionary approach that makes intra-city pickups and deliveries thoroughly efficient and reliable. We have a varied fleet of vehicles under our command, ranging from Tata Ace to Tata 407,709, 1109, 2515, Maruti EECO spread all over India.

Our partnered drivers are tracked on real-time basis, ensuring that a mini-truck that exactly satisfies the customer's requirement is made available to him, within 60 minutes. We intend to give structure to this largely unprofessional and unregulated Industry.

It's as simple as calling a cab: Just go ahead and give it a try.

”

Our Mission

Provide consistent quality assurance and reliability to our customers by leveraging cutting edge technology, while enhancing customer service levels..

Reliability to our customers by leveraging cutting edge technology.

Encourage innovation & creativity
